

Let's Talk Leadership

A DAY OF REAL TALK ABOUT HEALTHY LEADERSHIP FOR CHURCH STAFF

Many of our podcasts, news, and social media feeds have been filled with stories of leadership failure.

Sometimes it feels overwhelming.

Other times it feels distant.

However, for each of us the devastating impact of leadership failure is only a few decisions away.

Join us as we spend a day wrestling with how we guard our hearts and leadership influence.

Hear from leaders like Rick McKinley of Imago Dei Church and Danny Clinton of Kessid Church as we gather for our annual NW Christian One-Day on Tuesday, October 11.
