

2024 Elder/Pastor Conference

Saturday, January 27 from 9 AM to 3 PM

Webster's Dictionary defines Together as "in or into contact, connection, collision, or union." Which word would you use to define the togetherness of the Elder/Pastor relationship in your church?

The 2024 Elder/Pastor conference will address how we are better together! Together we'll look at how to strengthen the relationships between Elders and Pastors. In our time Together we will look at how we can connect together, grow together, and serve together. When the Elders and Pastor are Together—we are able to be more effective in reaching people, reaching our communities, and reaching our world for Jesus!
